MOUNTAIN VACATIONS

Last Minute Mammoth - Program Description

Last Minute Mammoth is a free, opt-in email program offering the best weekly deals on Mammoth vacation rentals. Each week throughout the Winter, we will publish Last Minute rates for the upcoming week - unless we go on vacation. :)

A Promo Code is sent to Last Minute subscribers via email (usually every Monday night). A Promo Code is required to access the Last Minute rates.

Last Minute Mammoth Terms and Conditions

1. Only available for online bookings.
2. Only available for bookings with a minimum of 2 nights.
3. Discounts cannot be combined.
4. All reservations are final, no cancellations and no refunds are permitted for Last Minute bookings.
5. Last Minute rates are available only to first time bookings, discounts cannot be applied to existing reservations - otherwise they wouldn't be last minute reservations, would they?
6. A valid Promo Code is required to access Last Minute rates. Promo Codes and specials change weekly, and are valid for limited time, and sometimes in limited quantity. Valid dates are published on the Last Minute Mammoth web page.
7. Last Minute rates and Promo Codes are only available to subscribers of Last Minute Mammoth. Subscription is free, and users can register here:
www.mammothmountainvacations.com/specials/last-minute-mammoth.aspx
8. Mammoth Mountain Vacations reserves the right to change the rate, availability and terms of any Last Minute special at any time and at its sole discretion.
9. Except as outlined above, all Last Minute bookings are subject to the Mammoth Mountain Vacations Rental Policies Agreement, which can be found here:
www.mammothmountainvacations.com/rental-policies.aspx.
